

Aeon Fitness and Gymnastics COVID Procedures

Aeon Fitness and Gymnastics will be following all CDC and NJ Health Department guidelines with respect to COVID-19.

Aeon Fitness and Gymnastics has and will continue to train our staff on the newest rules, guidelines, and procedures.

Aeon Fitness and Gymnastics staff is fully CPR, First Aid, AED, and gymnastics safety certified. Our staff is willing and able to comply with all COVID-19 guidelines to help protect our athletes, staff, and training center from the virus.

Aeon is equipped with custom signage to be followed in conjunction with the following expectations. The signage includes but not limited to window, wall, floor - to indicate distances, and specific areas. Those who cannot properly follow will be turned away and ineligible from entering the facility areas.

Parents of all students are required to assess their child prior to sending them to Aeon Fitness and Gymnastics. If your child or another member of your family exhibits the following symptoms, you must keep them home from Aeon Fitness and Gymnastics:

- Cough
- Shortness of breath or difficulty breathing
- Chills
- Unusual Muscle Pain
- Unexplained headache
- Sore throat
- Loss of taste or smell
- Diarrhea
- A measured temperature greater than or equal to 100 degrees F
- Known close contact with a person who is confirmed to have COVID-19 (in this case, please quarantine at home, away from the gym, for 2 weeks)

Parents must have students wash hands with soap and water before leaving the house.

At the front door entry, you will notice that the sidewalk is marked 6ft apart for anyone waiting to enter.

Parents must sign a new and updated release form which includes COVID-19.

Entrance will be one at a time after a consented screening is done. A parent/guardian **MUST** be present at the time of the screening. **DROP OFF** and drive away is **NOT PERMITTED**.

Screening will include a touch-less temperature check. Temperatures 100.4 or higher will not be permitted inside. All temperatures will be recorded by the Aeon staff. The staff will look for signs of COVID-19 and may ask questions including any indications of the following symptoms:

- Cough
- Shortness of breath or difficulty breathing
- Chills
- Unusual Muscle Pain
- Unexplained headache

- Sore throat
- Loss of taste or smell
- Diarrhea
- A measured temperature greater than or equal to 100 degrees F
- Known close contact with a person who is confirmed to have COVID-19

Students must enter with a mask or face covering. Students must use their own personal sanitizer prior to touching any equipment.

Students may enter 5 minutes prior to class. You CANNOT be late to enter. They will exit one at a time - you must be ON TIME to pick up your student.

There cannot be lingering of any type before or after practice/class times.

Parents will not have access into the facility space. If an extenuating circumstance is to arise where entry is required, parents/guardians MUST wear a mask.

Please call the team coaches directly if you have a competitive athlete if there is an emergency during this time or call the front desk office staff if you have a recreational student, please note: we will continue to have more limited office hours. You may email us at any time.

Parents are permitted to watch practice/class activity from the parking lot/sidewalk. The training center has a large number of windows around both facilities. All parents must wear a mask when not 6ft apart during viewing. Please know that excessive viewing is a distraction to all students/coaches and for safety reasons, a coach reserves the right to ask you to view from your vehicle in the case of a distraction. We would like parents to follow our competitive team guidelines of viewing limits to two 20-minute periods per practice/class.

The Aeon Fitness and Gymnastics air ventilation system brings the air in from outdoors and out from indoors through rooftop units. It is NOT re-circulating air. This is the preferred method of air circulation.

Coaches will be wearing masks when social distancing cannot be maintained. Coaches will have masks available to them at all times.

Coaches will limit spotting to an as needed basis for the return.

Students will not be required to wear face coverings when performing gymnastics/cheer/tumble/ninja warrior movements. Students will be asked to wear a face covering when not actively engaged. Students are permitted to wear a mask if desired.

Students will be 6ft apart / socially distanced all of planned practice/class time. Students will sanitize their hands between each station and event. Each group will remain socially distanced from other groups.

Bathrooms will only allow single occupancy and students must wash hands before and after use.

Eating is prohibited until further notice.

Coaches will carry their personal property in a bag with them. They will keep a cell phone on them at all times. Coaches will be washing hands frequently and following all of the same protocol as the students are required to follow. Aeon is able to provide all coaches with disposable face masks and gloves.

A student must come to practice/class prepared with (the following items that pertain to them):

- Personal bags - small clear backpack is suggested - labeled - all items must be able to fit into the bag. The bag will rotate and stay with the student at all times
- The understanding of social distancing
- Face covering and the ability to wear a mask when entering and when not performing physical activity
